

I have used Encompass C3 for my daughters graduation party. It was great to have access to a full kitchen as well as an atmosphere that gave guests the opportunity to mingle and enjoy each other's company. I've also attended several lunch meetings at Encompass C3 that were very accommodating.

The thing I like most about Encompass C3 is that I can get a professional, private meeting space with internet availability and presentation support for 2 or more people at an affordable price ...and I can get space only when I need it by the hour, day, week or month. I also like that I am not tied to a facility caterer and can bring in my own food.

It's a great extension to an out-of-town business or home business that needs to have a temporary meeting place conveniently locate in Omaha at the intersection of I-680 and W. Dodge Road. I highly recommend Encompass C3 for your next meeting or event.
