

EncompassC3 has been such a fantastic find for Strictly Business Magazine! With our line of work, meetings are a pertinent daily function and sometimes location and timing can be a hurdle when scheduling. With EncompassC3, we know that we've always got a great place to meet that is very close to the center of town. The amenities that EncompassC3 provides are a great bonus. It's always a clean environment that is cool when you need it, warm when you want it, free gourmet coffee and full kitchen, access to photocopiers, internet, phone, fax, private boardrooms . . . everything a business needs to function. We like to think of EncompassC3 as our satellite office! Thank you EncompassC3 for always being there for us when we need you!

Sincerely,

The Strictly Business Family
